

Dawson Eagles Football Booster Club

Become Dawson Corporate Sponsor & Part of the FAMILY

Dawson High School opened in 2007 and the Varsity football program was established in 2008. Hard work and dedication has led the Eagles to the playoffs in every season since inception. The Eagle Football Program continues to improve with a State Championship as our ultimate goal!

The Dawson Football Booster Club (DFBC) supports the Dawson Football Program by promoting sponsorship, fundraising, and volunteerism. Our mission is to promote good fellowship among our players, coaches, families, and community. We recognize the role sports and community service play in the overall development of our student athletes.

The Dawson Eagles have had great success on and off the field. Service activities such as Keep Pearland Beautiful, caroling at local nursing homes, and adopt a family for Christmas, represent just a few of our commitments to help our community. Throughout the year, our members give time, money, and resources in support of our program. The main highlight of our DFBC achievements has been to award **\$10,000 in scholarships** to qualifying graduating seniors each year.
